SERVICE**TECHNICAL BULLETIN**

V6 3.0L Stripped Engines –
Additional Parts Required For Later
Specification Front End Accessory Drive

MODEL 2003 MY
S-TYPE
VIN M45255-M62935

Issue:

This Technical Bulletin has been issued to inform the dealer network that when an engine on early 2003 MY S-TYPE vehicles, within the above VIN range is replaced, the stripped engine supplied by Jaguar Cars Parts Operations will be to a later 2003 MY specification. The later specification engine has a different front end accessory drive (FEAD) arrangement. As a result, the vehicle's existing idler pulley and belt cannot be used on the replacement engine.

Action:

When replacing an engine in an early 2003 MY S-TYPE vehicle within the above VIN range, a new FEAD idler pulley (XR8 5238) and FEAD belt (AJ8 5631) will need to be ordered as an addition to the stripped engine (XR8 42725 3.0L).
